

BVRA Coach Evaluation Policy

1. At the end of each ringette season, BVRA will send out a survey to all members of the association from the prior year asking for feedback on the coaches for their team.
2. BVRA will use this feedback when selecting coaches for the next ringette season.
3. At the end of each ringette season, coaches will be required to fill out a Player Information sheet to be used when selecting next year's teams, as not everything about a player is evident just in tryouts.

Policy subject to change at discretion of BVRA board
