

BONIVITAL RINGETTE ASSOCIATION

### **BVRA End of Season Player Evaluation Policy**

1. At the end of each ringette season, coaching staff from every team will fill out a short form on each player from their team.
2. This is done as the coaches ultimately know players best as they observe them in every ringette capacity for the duration of the ringette season.
3. This form will be used during the draft process of the following season to help aid new coaches in picking their players.
4. The coaches will provide feedback on the strengths of the player, areas where improvement is needed, the player's overall game sense, and any concerns the coach has regarding the player.
